

What is Honor Society?

Since 1988, the Kansas Association of REALTORS® Honor Society has recognized and rewarded the high professional achievement of members who seek excellence through education, who voluntarily contribute their expertise, and who voluntarily contribute their time and skills to Board and Association leadership. The people who bring credit to the real estate industry statewide deserve the special recognition of their peers and their community. Kansas Association of REALTORS® Honor Society is designed to bring them that recognition.

Eligibility

The Honor Society program is designed both for newer REALTORS® and for those who have held membership for many years. The concept is to award points for current professional REALTOR® activities that ultimately result in better service to clients and customers.

Awards

Honor Society members will be recognized through a variety of methods, including recognition at KAR meetings, on the KAR website, in KAR publications, and awarded certificates.

Qualifications

The qualification period is from June 1 to May 31. Applications must be submitted to your LOCAL BOARD no later than June 15 to be considered for membership. Local Board Executive Officers or Board

Secretaries will submit qualified candidates to the Kansas Association of REALTORS® by July 1. Annual qualification is required in order to encourage continuing activity and involvement. A minimum of 150 points per year is needed in order to qualify or maintain membership. Of the 150 points, you must obtain a minimum of 50 points in Local activity, 40 points in State or National activity, and 10 points in the Education category. All points for committee membership will be given for the current year only. State and/or National convention attendance, plus Membership Awards, will be counted from June 1 to May 31. The application form lists in detail the point breakdown by category.

To Apply

To apply for membership, you need to complete the form, certify it with the signature of your Board President or Executive Officer, and return it to your Local Board. Your Local Board may, at their discretion, request more complete documentation of a member's participation to verify qualification.
